JEFF PHOTOGRAPHY OCT. 1 - 14 FOTO Scavenger Hunt FES

Jeffersonville, NY and The Jeffersonville Area Chamber of Commerce is hosting its first-ever **Jeff Foto Fest**, bringing photography to the heart of this small Catskills town. The event features work from local professional and fine art photographers as well as images by alumni of the Eddie Adams Workshop. The photos cover a wide range of subjects—not just local scenes—and highlight how photography helps us see everyday life in new ways. With exhibits in storefronts and public spaces, the festival invites everyone to stop, look, and appreciate the stories pictures can tell, whether from across the world or right next door.
